

Dear Parents/Guardians

Thank you, parents, for allowing us to transport your children to and from our school. From time-to-time it is useful to review basic rules for cooperation and safe travel by the school bus.

We ask that parents review these rules with their children at the start of the school year, and periodically thereafter. They are intended to contribute to the safety and wellbeing of all passengers.

It is necessary for parents and guardians to support school safety rules and help their child to abide by them for their own safety as well as for the safety of others.

If your child cannot adhere to the rules and regulations, they will be suspended from the school bus service.

Please contact the school with any questions or concerns.
